

MENTORS in MOTION™

Physical Activity Leadership

LACOE Expanded Learning Unit through its partnership with A World Fit For Kids! (WFIT) is offering an exclusive opportunity for select youth serving agencies to take advantage of the acclaimed “**Physical Activity Leadership**” Training. This training is an excellent fit for advancing your work in quality standards especially in the areas of *Healthy Choices and Behaviors* and *Safe and Supportive Environment*.

With funding provided by *Kaiser Permanente*, your agency has the opportunity to bring some of the most innovative and effective strategies for engaging youth in positive physical activity experiences back to your team. WFIT is a Gold Medal Award recipient from the Governor’s Council on Physical Fitness and Sports and has brought their ‘Physical Activity Leadership’ training to 1000’s of youth serving staff, corporate partners and teachers, impacting over 500,000 students Nationwide with demonstrated results.

Physical Activity Leadership is a 3 hour training that combines proven strategies to work with any curriculum or environment fostering activity levels, skill development, positive communication and simple academic integrations, which anyone can adopt.

To be eligible: you only need to provide the **facilities** for training and 40 **participants** that work with elementary age youth in LA County. There are a very limited number of trainings that will be conducted prior to May 19th, 2017 and it is first come first served. Spots cannot be guaranteed.
