In the Loop

... the after school professionals' e-newsletter for high-quality resources and trainings

March 2017

Greetings from the California After School Resource Center (CASRC)!

As you know, the last day to submit an order for library materials is March 31, 2017. Those items are due back by April 28, 2017. After the library services are discontinued, we plan to distribute library items in selected CASRC library collections to expanded learning programs around the state of California.

You are invited to submit a wish list of items from the collection that you would like to have on a permanent basis for use at your expanded learning program site. Please go to [the CASRC library search page](#) and peruse the items in the following subject areas:

- Behavior Management
- Career Education
- History-Social Science
- Mathematics
- More Enrichment Areas
- Nutrition
- Physical Activity
- Program Administration
- Reading/Language Arts
- Science

Using [this form](#), please provide us with a prioritized wish list of up to 10 items by March 24, 2017.

We will assess all requests as they come in, and will do our best to give you as many items as possible. In April we will notify you about the items from your list that are available for you have.

We are pleased to be able to offer these vetted materials for continued use, and we hope you take advantage of this opportunity!
