COP #7: Practical High School Site Coordinator Time Management Tips March 29

This one-hour webinar will provide tips for High School Site Coordinators to better manage their time while on the job: there will be 30-minute presentation and then 30 minutes for participants to share with each other their own tips.

COP #7: Career Paths for Site Coordinators April 5

This one-hour webinar will allow participants to hear from three former Site Coordinators about how they took their skillsets and knowledge gained on the job to move into different career paths.

No More Summer Learning Loss! March 3

Summer is a great time to get kids excited about math, reading and science. Join us and experience ways to bring academic enrichment alive in your summer program. We will share engaging ways to get kids excited and engaged in math, reading and science while working together.

CQI & Quality Standards Coaching Sessions Ongoing

These monthly one-hour live webinar/conference calls are intended to provide Site Coordinators and Program Directors/Grant Managers with a Support Group of their peers where they can bring their questions about the implementation of the Quality Standards within their organization and at their sites; share promising and best practices; and get consultation assistance as needed. There will be some initial guided questions to open each session, but the majority of the time will be allocated for coaching and facilitation of discussion. Webinars are held monthly from September through May.

Pre-Recorded Webinars Ongoing

To help keep you and your team up to speed on the basics... we provide a suite of pre-recorded webinars that can be accessed at your convenience, 24-hours a day. Topics include:

- Sign-In and Sign-Out Policies, Procedures, and Practices
- How to use the Attendance Calculator
- Focus on Quality Standards
- Early Release
