▶ End of year : time to take the temperature

1. Survey Time: please complete
2. Review Time: the 3 phases of CQI
3. Discussion Time: at your tables
4. Reflection Time: complete and keep reflection tool

3 Phases of CQI Review

- ▶ Individually and silently review the attached 3 phases of CQI and think about where your organization and each of your sites are at utilizing this tool.
- ▶ Make notes to yourself: mark which phase and step the organization as a whole is at; and which step within the phase
- ▶ Are you surprised? What questions does it raise for you?

Discussion Questions

1. What has been your biggest success to date with CQI? What do you attribute this success to?
2. Name 2 challenges you have had implementing CQI and see if your tablemates have any suggestions for you as to how to overcome these
3. Where do you see your organization as a whole in the 3 step process? At what phase and step are most of your sites as of today?
4. What 2 burning needs do you have in order to move forward with CQI today?

Reflection Tool

- ▶ 1. What made me stop and say AHA or WOW I never thought of CQI that way?
- ▶ 2. What will you do with this AHA or WOW?
- ▶ 3. List 2 things you will do in the next month to move CQI forward in your organization
