## Resource Corner\*

### **Summer Planning Starts in September!**

We encourage programs to begin planning their summer programming in September. What days and times will you operate? What enrichment programs will you offer? Which staff will work during summer? Below are resources to help you get started:

- **Summer Matters Campaign** has created tools and resources such as a summer learning timeline and how to implement the Continuous Quality Improvement process in your summer programming. Please visit the [Summer Matters' Tools](#) web page.
- **You for Youth (Y4Y)** is a national organization that helps support expanded learning programs. They have created several tools and resources specifically for summer programming, including Action Plan templates (i.e.—Creating a summer learning program schedule, Create positive environments for summer learning, Youth Recruitment Planner, Mapping needs to activities, etc.) Please visit the [Y4Y](#) web page.
- **6-Hour Form**  
Summer Programs have the ability to run a 6-hour program as opposed to the required 3 hour. For more information, see the attached revised 6-Hour Form
- **Offsite Form**  
Programs can request to operate at an offsite location. During summer, many schools like to run their summer programming together. For more information, see the attached revised Offsite Form.
- **Summer Frequently Asked Questions:** The Summer Learning Implementation Committee has created Summer Frequently Asked Questions (FAQs) that are

now available on the California Department of Education (CDE) web page. Access the [Summer FAQs](#) here.
