Two quick asks: One to help SAVE your job and the other to help us do our job! A total of 10 minutes of your time maximum.

As you know, the current level of ASES funding is not enough to cover the increase in minimum wage and provide revenue for full enrichment programs. **I know you want to save your job, so please take ACTION as noted below.**

Good News From Sacramento Today!

After School Advocates and Supporters -

This morning, the Senate Budget Subcommittee on Education **recommended a \$100 million increase in Prop. 98 funding for ASES programs** to increase the daily rate! This is the biggest recommendation we have ever received from the Senate Subcommittee, but we can't stop pushing now.

The Assembly Budget Subcommittee on Education will decide by Monday (1) if they are going to recommend funding for ASES, (2) how much, and (3) from what funding source. Our goal is to encourage the Assembly to mirror the Senate proposal.

It's never been easier to contact your Senator, Assembly Member, and the Governor! Funding decisions are happening NOW, so don't wait — contact your representatives today.

From this platform, you can quickly email, call, and tweet your legislators. Take a few minutes to tell them to Save After School. Then, tell your friends and family to do the same. Our collective voice should echo throughout the state and in the State Capitol.

Be sure to also thank legislators who have supported us so far!

Lastly, there will be more updates and calls to action in the coming weeks, including opportunities to join us in the Capitol. Be on the lookout.
