California Cruz'n – a statewide Site Coordinator Expanded Learning Symposium is to be held on **February 8th and 9th, 2019** in Long Beach, CA. This event is intended to be a convening of Site Coordinators, for Site Coordinators and those who support Site Coordinators. The symposium focuses on the innovation that occurs every day in expanded learning sites across California. Topics to be covered may include Continuous Quality Improvement (CQI), effective site leadership, inspiring and supporting line staff, school and district partnership, and innovative practices related to the Quality Standards for Expanded Learning in California; as well as cutting edge topics such as Summer Learning, Social-Emotional Learning (SEL), and Science, Technology, Engineering and Math (STEM). Multiple levels of leadership are encouraged to attend and participate in a leadership track focused on effective strategies to support the success of Site Coordinators, K-12 and expanded learning partnerships, partnerships supporting SEL, family engagement, and alternative funding sources.

Who Will Present?

[Site Coordinator Symposium RFP](#) is open for submissions until November 16th, 2018. All levels of leadership will share best practices in maximizing the impact of expanded learning programs in all settings, including: District, community-based, and summer learning programs.

Who Should Attend?
