

Dear Colleagues Interested in a Dedicated Funding Measure for Kids in LA County,

We are excited to share with you some news about the progress that has been made about organizing for a youth development fund since our last meeting in December. It's now time for all of us to get together to take the next action steps. A Steering Committee has been busy working behind the scenes and is ready to discuss a timeline and benchmarks for the coming year, a budget and funding for our start-up work, and the potential sponsor for our initial coalition organizing. Come and join the discussion - your participation and input is needed. We will also be discussing a name for our coalition and campaign!

The meeting will be:

Tuesday, May 21

1:00 to 4:00pm

Community Health Council - Social Change Institute

3731 Stocker St., Suite 201; Los Angeles, CA

(parking in back)
