Greetings After School Education and Safety Grant Renewal, Cycle B grantees:

The purpose of this email is to provide you with information about the After School Education and Safety (ASES) and ASES Frontier Transportation grant renewal process. The ASES grantees listed under renewal Cycle B, will have the opportunity to apply for renewal for another three-year period, consistent with California *Education Code (EC)* Section 8483.7(a)(1)(A) by downloading the forms from the After School Support and Information System (ASSIST) and mailing the forms by **January 22, 2020**. Please refer to the ASES Renewal Instructions at the bottom of this email to renew your ASES grant.

Current grantees may verify the grant cycle of their program on the California Department of Education's (CDE's) ASES Grant Renewal Cycles web page at <https://www.cde.ca.gov/ls/ex/asesrenewalcycles.asp>. If this link is not active due to the Expanded Learning Division's (EXLD's) current efforts to update web pages, please access the ASES Grant Renewal Cycle on the current web page at <https://www.cde.ca.gov/ls/ba/as/asesrenewalcycles.asp>.

The ASES grantees shall develop and maintain documentation of the ASES Program Plan for a minimum of five years, after the conclusion of the program (*EC* Section 8482.3[g][1][F]). The development, revision, and submission of a Program Plan is required as part of the ASES grant renewal process.

The ASES Program Plan must be developed through a collaborative process that includes parents, youth, representatives of participating public school sites, governmental agencies (such as city and county parks and recreation departments), local law enforcement, community organizations, and the private sector (*EC* Section 8482.5[b]). Grantees must develop an ASES Program Plan that is available for onsite review (*EC* Section 8482.3[g]). The EXLD must be notified if the program goals or outcome measures are changed during the grant period (*EC* Section 8482.3[g][1][E]).

A Program Plan Guide is available for grantees on the CDE Reporting and Forms web page at <https://www.cde.ca.gov/ls/ex/reportingandforms.asp>. If this link is not active due to the ELXD's current efforts to update web pages, please access the Program Plan Guide located at <https://www.cde.ca.gov/ls/ba/as/documents/asesprogramguide.docx>. The Program Plan includes, but is not limited to, program goals, program content, and any other information requested by the CDE. **Grantees are required to use the program plan guide and provide a narrative description in response to the prompts listed under each Quality Standard section.** The Program Plan must be submitted—along with the ASES renewal application—and reviewed by the grantee every three years (*EC* Section 8482.3[g]).
