Dear Expanded Learning Grantees and K-12 Partners:

Registration is now open for the [2019 Expanded Learning Summits!](#) This year's theme is **Commitment to Equity: Creating Opportunities for all Youth to Thrive.**

The California Department of Education's Expanded Learning Division (CDE-EXLD), in partnership with the System of Support for Expanded Learning (SSEL) and the California After School Network (CAN), will be hosting the California Expanded Learning Summits—three, one-day events. These Summits are for After School Education and Safety (ASES) and 21st Century Community Learning Centers (21st CCLC) programs, and will provide grantee staff, stakeholders, partners, and K–12 administrators/leaders an informative and uplifting day. This is also an opportunity to network and meet others from across the K–12/Expanded Learning ecosystem.

The summits will include:

- An opening plenary,
- A series of workshops presented by state and local programs, and Expanded Learning champions from across the state,
- Complimentary breakfast and working lunch;
- Pre-event networking session the evening before each summit; and
- Day of event parking is free!

There is no cost to attend this event and space will be limited.
