Join the

Training of Trainers Institute: October 17-19, 2019

Bay Area, California

The CalSAC Trainer Network builds the training and facilitation skills of leaders in the field, who in turn provide training to professionals working in a variety of out-of-school time programs across California.

The Trainer Network is one of CalSAC's foundational programs and remains a steadfast capacity building resource. Since it was established in 1998, it has since evolved into the largest network of trainers in the OST field in the country.

Join **the largest, statewide network** of OST professionals

Access to **60+ training modules**

Deepen skills and knowledge in **training and facilitation**

Exclusive leadership opportunities

Apply online at www.calsac.org

For more information, contact Hannah Davidman [hdavidman@calsac.org](mailto:h davidman@calsac.org) or 510-444-4622 x110
