

2020 BOOST Student Hall of Fame

Overview & Guidelines

The BOOST Conference in Palm Springs, CA offers an opportunity to highlight student artwork from out-of-school time programs across the nation. The artwork will be displayed in the Renaissance Hotel hallway and viewed by over 2,500 attendees from around the globe. Seeing the artwork and walking through the gallery reminds us of why we do this work and celebrates the incredible talent that we see in our youth each and every day.

Goal: Our goal this year is to have 700 pieces of student artwork.

Theme: There is no theme this year! We want the students to be able to use their full creativity—we are looking forward to seeing what they create!

Artwork submissions can include:

- Visual art: paintings, drawings, sketches, cartoons, photographs, collage, etc.
- Written word: stories, poems, prose, etc.
- A student idea (as long as it fits on a 22" x 28" inch poster board.)
- Sculpture pieces are welcome, but they must be hand-delivered.

Submission Guidelines:

- All artwork must have the name and grade of each student who was involved in the creation of the piece as well as the name of the program and the city and state.
- In past years, we have asked participating programs to mount artwork on poster boards. We are NO LONGER requiring this. You can send us the artwork as is!
- Maximum dimensions of artwork: 22" x 28" (the size of a poster board)
(Please note we will not have any electrical outlets available to us for any of the works)

Here is how it works:
