

Region 11: Expanded Learning Programs

OVERVIEW OF THE 2015-16 ACADEMIC YEAR
TECHNICAL ASSISTANCE PLAN

Presented September 18, 2015

Our Guiding Core Principles (BONS)

Building capacity of the field

Outstanding customer service

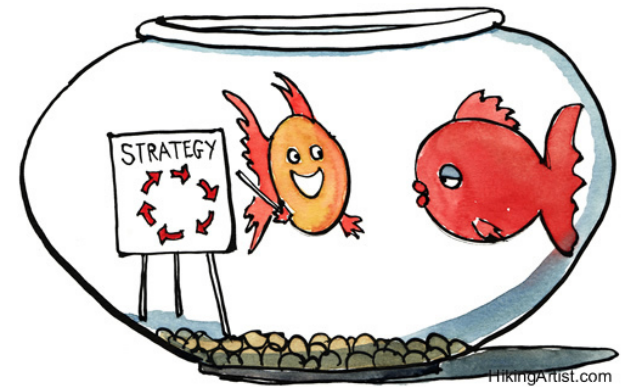

Nimbleness and flexibility

Stay one step ahead of the curve

Six Strategies

1. Consultation
2. Coaching
3. Mentoring
4. Staff Development and Training
5. Provide information and resources
6. Facilitation

Consultation

- ▶ Grant Managers and Program Directors: designing and rolling out Continuous Quality Improvement Process

- ▶ Building strong relationships between Grantees and Community Based Partners

Request a
consultation
to discuss which
services best meet
your needs

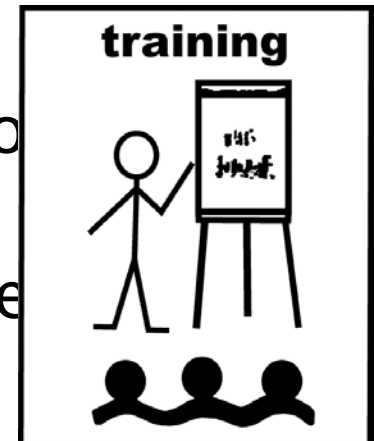

Coaching

- ▶ Roll out of new Coaching Technical Assistance Site Visit form to include focus on quality and Continuous Quality Improvement Process
- ▶ Offer Strength Based Initiative Training
- ▶ Research potential of offering another round of Heart of Coaching
- ▶ Provide coaching to the 40+ Site Coordinators who completed our Site Coordinator Leadership Development Program

Staff Development and Training

- ▶ Roll out Quality Train the Trainer series
- ▶ Movement from General (all come) to On Demand and Customized Training
- ▶ Movement from centralized training to LLC area focused training
- ▶ Targeted series for Middle and High School
- ▶ Offer more Train the Trainer opportunities

Facilitation

- ▶ Virtual monthly Quality Roll Out Support Groups for Grant Managers, Program Directors and Site Coordinators
- ▶ Explore new ways to address hiring challenges
- ▶ Bring together groups as field identifies need

Mentoring

- ▶ Site Coordinator Leadership Development Program: offer at least two cohorts
- ▶ Recruit and Train 10 more Peer Reviewers
- ▶ Identify opportunities for Grantees to become more involved in Regional and Statewide Activities

Broker Information and Resources

- ▶ Increased use of Social Media
- ▶ Revamp use of Constant Contact to target right messages to right audiences
- ▶ Focus group for redesign on ASPIRE website

Special Initiatives

- ▶ Quality Improvement Process Roll Out: Phase 2
- ▶ Renew our STEM work; take it to next level
- ▶ STEAMNATION: October 10, 2015
- ▶ Renew our Healthy Behavior Initiative: take it to next level
- ▶ Re-examine our English Learner Work: what is next?
- ▶ Pilot of Observation Tool developed by Data/Evaluation Work Group
- ▶ Explore involvement in the Social Emotional work being done statewide
- ▶ Develop more online resources and tools for grantees to access
- ▶ Develop crosswalk between Core Competencies to Quality Standards and Certified Assurances
